

The Arts in Arizona: District 22 Fact Sheet

THE ARTS ARE ABOUT JOBS

Artists are entrepreneurs and arts organizations are small businesses: both of which make up the foundation of Arizona's economy. The arts also promote innovation, collaboration and partnerships, particularly within rural and underserved communities.

PROPOSED CUTS TO THE ARIZONA COMMISSION ON THE ARTS

While budget reductions are unavoidable, the reductions outlined within the FY10 GOP Leadership Budget would be devastating to the arts industry, reducing the state arts budget by up to 75% within one year. Similar reduction percentages have so far not been proposed for other state agencies. The proposed reductions and account sweeps will eliminate grants that directly support private sector jobs in every Arizona legislative district.

Should these draconian reductions be enacted:

- Up to 50,000 private sector jobs across Arizona would be in jeopardy.
- 1.7 million Arizona youth could lose arts education programs in their schools and communities.
- Local economies would lose critical tax revenue generated by arts and culture activities in cities and towns.
- Local businesses and vendors would lose essential revenue generated by arts businesses and patrons.
- Arizona's federal arts funding would be lost because of the match requirement. Federal funds lost because of the state's withdrawal of state funds would be delivered to other states to be used for the same purpose.
- The Arts Endowment, developed in a 12-year public/private process begun by Governor Fife Symington and supported by multiple gubernatorial administrations and state legislatures, would be eliminated. If swept, the State of Arizona will be renegeing on commitments made to Arizona business leaders and private donors.

The "three-legged stool" of arts funding cannot be dismantled. We urge you to leave the ArtShare Endowment intact, preserve the Arts Trust dedicated funding and limit reductions to the Commission's General Appropriation line to no more than 25%.
